

Nowra High School Athletics Carnival 2018

Dear Parent/Guardian,

The 2018 **Nowra High School Athletics Carnival** will be conducted on **Wednesday 23rd May 2018** at Nowra High School.

On the day, all students will attend roll call as normal. Following roll call, students will walk to the back oval and meet in age groups. The school canteen will be operating a BBQ and drinks at the oval on the day. At completion of the carnival, students will assemble in their year areas until 3.25pm. Any student wishing to leave the school during the day will be required to collect an early leavers pass in the morning as usual. Permission over the phone will not be acceptable.

Students are required to provide their own **sunhat, sunscreen and water bottle**. Please leave valuables at home as no responsibility will be taken for lost or stolen property.

If bad weather arises, check the school's Facebook page and tune into 94.9 Power FM on the morning of the carnival. In this instance, the carnival will be postponed and school will run as normal.

The first two students from each event in each age group will be eligible to attend the Zone Athletics Carnival at Shoalhaven High School on 15th June 2018.

Students are encouraged to dress in house colours and will earn points for their participation in each event.
