

Nowra High School Academic Enrichment Class

Nowra High School offers a selective stream of classes designed as an academic extension program for gifted and talented students in Stage 4. The program offers capable students avenues for developing a deeper understanding of key learning area (KLA) content and developing skills in problem solving, critical thinking, leadership and interpersonal communication.

The program also incorporates a focus on STEM (Science, Technology, Engineering, Maths) & CAPA (Creative & Performing Arts) with an extra elective allocation which focuses on practical application of skills across these areas. The programming and assessment are independent of mainstream Yr 7 classes, offering teachers the flexibility to extend students and incorporate inquiry-based learning across KLA's.

Nowra High School has a partnership with Bundanon Trust which has generously offered their facilities to enhance the experience of students in the Enrichment Program. Bundanon is a rich and exciting platform for expanding student understanding of the natural environment and exploring the creative arts.

Selection is through an application and interview/testing process. The application form is available from the Nowra High School website

www.nowra-h.schools.nsw.edu.au

NOWRA HIGH SCHOOL

Year 7 2019 Enrichment Class Application

All applications must be submitted to Nowra High School by **Friday 24th August 2018 (Week5)**.

They can be handed directly to the Nowra High School office, or scanned and emailed to nowra-h.school@det.nsw.edu.au

(If you have already submitted an Application you do not need to do this again)

***Students who have been accepted to a selective school through the selective school placement tests for 2019 will be automatically selected into the Enrichment program at Nowra High School, however, will still need to complete an application form.**

Students being considered for the Enrichment Class will be invited to a testing day on **Wednesday 19th September**. Parents will be contacted by email with further details.
