School Administration Support Staff (SASS) Recognition Week

Our SAS staff play an important role in our school community. They are often the first people you see when you enter a school and are essential to maintaining positive relationships with students, parents and the community. Our SAS staff work in various offices, classrooms and libraries. They maintain our technology and systems and care for our school grounds and buildings. They are often the ones to tend to students when they unwell and they ensure the efficient management of school financial and administration functions. I personally would like to acknowledge and thank all our SAS staff for the valuable work you perform and your contribution to supporting great teaching and learning outcomes at Nowra High School.

Mathemagical HSC Recognition

A short while ago I received an interesting email from the Centre for Education Statistics and Evaluation. Nowra HS had been identified as achieving fantastic results in the Advanced Mathematics Course from 2014-2018. Two researchers came out and visited the school to interview teachers and students and also watch and record some lessons! It is a testament to Roy Dixon as the previous Head Teacher, Mathematics, and other teachers who are no longer with our faculty, of the strong teaching practices that have occurred and continue to occur at Nowra HS.

School Magazine to be published Late in Term 4

I am pleased to announce that the annual publication of the Nowra High School Magazine will recommence this year with a Bumper Edition school magazine featuring events from 2017, 2018 and 2019. Ms Soeters is working tirelessly on compiling and editing news and photographs from these three years to add to our school records. Magazines will be downloadable as a PDF (including colour photographs) for free. Further details about access to this document will be available in Term 4.

Major Works

Year 12 students are currently finalising their HSC major work projects and I must say that there are some stunning achievements on display. Congratulations on an outstanding effort to our Timber, Design and Technology, Art and Multimedia students on some amazing pieces of work. The few that I have seen so far have made a major impression on me. I am sure that families who have supported these projects through their progress will be as proud as the teachers here are. Each day I see more evidence of the amazing education our Nowra High School students receive.

Mr Glen Kingsley,
Principal

Come along on Friday 30th August to the Nowra High School HSC Music Showcase and support our wonderful year 12 students.

Southern Stars
Congratulations to Mrs Leigha Poulton and Ms Kirby Neilsen on accompanying an outstanding group of performers to participate in the Southern Stars last weekend. As always the show was exhilarating. Well done!

P&C meeting dates
TERM 3, 2019
Week 8 - Tuesday 10th September
TERM 4, 2019
Week 4 - Tuesday 5th November
Week 8 - Tuesday 3rd December

All welcome in the library starting at 6.30pm

You are invited to the
Graduation Ceremony for the class of 2019.
Friday 27th September 2019, 9.15am-11.30am
Nowra High School, Moss St, Nowra.

Homework centre
The homework centre at Nowra High runs in the library every Wednesday afternoon from 3.30 - 5.00 pm.
Snacks and drinks are provided.
All students in years 7-12 are encouraged to take advantage of this great opportunity to study, with staff present to assist.
Computer access is also possible during the sessions.
P4 made corn, cheese and zucchini slice. They have been working hard all term preparing dishes for a high tea at the end of the term. Well done P4!

Congratulations Jamie!

We are proud to announce Jamie Wayside in Year 12 was selected in the NSWCHS Lawn Bowls team that will compete in Week 9 at Tweed Heads.

Jamie was the captain of the South Coast team that won the NSWCHS Lawn Bowls Championships.

He has shown outstanding sportsmanship and dedication to his sport over the last 6 years. What a way to finish the last weeks of Year 12.

Year 7 Technology Mandatory

Look at the fun patterns these students have created during the process of making their fantastic cushions.

Well done 7TM5.

Surf Lifesaver Training

SLSA Bronze Medalation and Surf Rescue Certificate Course

The course will provide you with the skills and knowledge in First Aid, resuscitation plus surf awareness and patrol rescue responses needed to participate in our Surf Life Saving operations. These are core skills to be a surf lifesaver. All training is aligned with nationally recognised qualification units in Public Safety. Content is a mix of online learning modules, practical skills learning and mentoring by qualified Life Saving Australia instructors.

Need ability to complete a timed run and pool/open water swim.

On completion, become a junior patrol team or exist as a junior water safety activities to gain practical experience.

Duration: 6 weeks, Sunday mornings.

Contact: info@headssurf.org.au or our website for more information.
